And it has everything you need for celestial navigation in one book.0 of 0 people found the following review helpful. Five StarsBy BiffusThere don't seem to be too many alternatives at a comparable price0 of 0 people found the following review helpful. Always have one on boardBy GotMulletThe chart, 'Local Mean Time of Meridian Passage', of the planets (page 9) is worth a new hard copy every year.

The cornerstone for all celestial navigation, listing the celestial bodies used for navigation, a sight reduction table, and other information valuable to the offshore navigator. The content of this edition is identical to the United States Naval Observatory edition. Paradise Cay Publications is the only entity in the United States other than the US Government legally authorized to publish the full contents of the Nautical Almanac.
