3 of 3 people found the following review helpful. Taken in by a nice coverBy S.K.Y. WooWhoever sells this capitalizes on a great idea (5 year journal) to sell an inexpensive notebook with a pretty cover. The pages are black and white, copied on a copier quality. 1. It can be used to help set goals and track your progress toward those goals. 2. It can be used to document your travels over a five year stretch of time. 3. It can be used to record personal information that can later be used to write a book.
