Two Stars By Susan Brown not enough space to write what i needed. 3 of 3 people found the following review helpful. Nice spaces to write notes and list appointments etc By Michael E. Murray This is basically enough blank calendar pages to create 5 years worth. So you put in your own month/year/date on each page. In that respect it is very flexible but just takes time to put info in and you need to reference a calendar to make sure you are accurate - don't miss count or you could mess it all up I suppose. Nice spaces to write notes and list appointments etc.

Here Are 5 benefits of Having a 5 Year Planner Organizes your goals in one location. Enables clarity on 1 year goals that bring you toward achieving a long term plan. Provides framework to organize daily, weekly and monthly goals.

Gives you focus on where you want to be in your life. Goals without a plan are just dreams.
