Francis M. Moore : A Brief History of the Missionary Work in the Indian Territory of the Indian Mission Conference: Methodist Episcopal Church South (Classic Reprint) before purchasing it in order to gage whether or

not it would be worth my time, and all praised A Brief History of the Missionary Work in the Indian Territory of the Indian Mission Conference: Methodist Episcopal Church South (Classic Reprint):

Excerpt from A Brief History of the Missionary Work in the Indian Territory of the Indian Mission Conference: Methodist Episcopal Church South
Ties than the ancient Hebrew and the American Indian. When America was discovered by Christopher Columbus four-hundred years ago this race of Indians was quite numerous. They occupied every habitable zone in North, South and Central America, including all the islands in the vicinity of these continents. No correct estimate could be made as to the exact numbers, but it is a safe thing to say they numbered several millions of souls. When first discovered there was really no evidence of civilization among them, nor was there anything to show that they had even been different from what they were then - savages. Excepting the Incas of South America, and the Aztecs and kindred races of Mexico, the great mass of the American Indians were a rude, warlike, savage people. About the Publisher
