Excerpt from *A Chronology of Municipal History and Election Statistics, Waterville, Maine, 1771-1908* The apparent peace that followed the retirement of the Indians to their northern homes did not have the effect to promote the advance of civilization, and neither white nor Indian was inclined to trust the other beyond easy reach of gun or tomahawk. Skirmishes and wars continued. Queen Anne's War in the early part of the century brought ruin and death to many families, and a long period of hostilities followed. Father Sebastian Rale, a Catholic priest, a native of France and finely educated, who had assumed dominion over the Indian mission at Norridgewock in 1693, and had devoted himself to the work, was killed by an expedition led by Captain Harmon from Fort Richmond in 1724.
