Alan Sharp : A Grim Almanac of York (Grim Almanacs) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Grim Almanac of York (Grim Almanacs):

Enter A Grim Almanac of York to discover 365 gruesome tales from the citys dark past. From bloody battles, appalling accidents, and extraordinary deaths, there is a tale to surprise even the most hardened reader. Read about a Viking invasion of the city in 866 led by Ivar the Boneless; Richard of York, whose head was displayed over the

Micklegate Bar for a year; and St. Margaret Clitherow, who was tortured and crushed to death for hiding Catholic priests. Generously illustrated with photographs, sketches, and original documents, here are true accounts of fires, catastrophes, murders, and executions. If you have ever wondered what nasty goings-on occurred in the York of yesteryear, then this book is for you. Prepare to be shocked, stunned, and startled!

About the Author Alan Sharp owns an historical tour-guiding business in York; he also serves as the chief guide and regularly conducts large numbers of tourists around the city. He is also a stand-up comedian, performing on television and in some of the top comedy clubs in the country. He has a BA in English and Drama from University College, Dublin, and was a contestant on the 2012 season of Mastermind.
