Rita Steinhardt Botwinick : A History of the Holocaust: From Ideology to Annihilation before purchasing it in order to gauge whether or not it would be worth my time, and all praised A History of the Holocaust: From Ideology to Annihilation:

Told with scrupulous attention to detail and accuracy, this text provides important background information on Jewish life in Europe, the functions of the hierarchy within the Nazi government, and the psychological foundations of

prejudice. Unlike other texts on the subject, *A History of the Holocaust* gives students an idea of just who the victims of the Holocaust were. In fact, the author tells this story from a unique point-of-view, having experienced Nazi Germany as a child.
