John Buckler, Bennett D. Hill, John P. McKay, Joe Perry, Merry E. Wiesner-Hanks, Clare Haru Crowston : A History of Western Society Since 1300 before purchasing it in order to gage whether or not it would be worth my time, and all praised A History of Western Society Since 1300:

0 of 0 people found the following review helpful. Rent, do not buy if you don't have to. By TheXRAYest This book was required for a college history course (2016). Rather than shelling out way to much cash for the actual text, I rented it on my Kindle Fire HD 8.9. It worked out fine, and saved me a bit of money. Too bad I hardly had to open it due to the plethora of power points that the professor gave out. *sigh* 1 of 1 people found the following review helpful. On time, looks great. By And PS... Book arrived in great condition and on time. My son loves having a second book to keep at home for his classes, especially the History books, which always seem to be SO heavy. 0 of 0 people found the following review helpful. They are all in good condition. By Tricia Kaparoff Books came as promised. They are all in good condition.

Long praised by instructors and students alike for its readability and attention to everyday life, the eleventh edition of *A History of Western Society* includes even more built-in tools to engage today's students and save instructors time. This edition features a brand-new, comprehensive primary source program in-text and online, expanded chapters devoted to the lives of ordinary people that make the past real and relevant, and the best and latest scholarship throughout. Enhanced with a wealth of digital content including carefully developed online document assignments for each chapter with auto-graded exercises the eleventh edition provides easily assignable options for instructors and novel ways for students to master the content. Now integrated with LearningCurve, an adaptive online resource that helps students retain the material and come to class prepared.

"A History of Western Society has been one of the very best textbooks available for the Western civilization survey course. Written in an engaging style, the text is accessible for undergraduates. The authors have utilized the most recent research and managed to keep the text relevant, not only with changes in our historical knowledge, but with an understanding of dimensions of global history and the way in which the West has impacted it, and been impacted by it." - Roy G. Koepp, University of Nebraska at Kearney, USA. "A History of Western Society has been one of the very best textbooks available for the Western civilization survey course. About the Author John P. McKay (Ph.D., University of California, Berkeley) is professor emeritus at the University of Illinois. He has written or edited numerous works, including the Herbert Baxter Adams Prize-winning book *Pioneers for Profit: Foreign Entrepreneurship and Russian Industrialization, 1885-1913*. Clare Haru Crowston (Ph.D., Cornell University) teaches at the University of Illinois, where she is currently associate professor of history. She is the author of *Fabricating Women: The Seamstresses of Old Regime France, 1675-1791*, which won the Berkshire and Hagley Prizes. She edited two special issues of the *Journal of Women's History*, has published numerous journal articles and reviews, and is a past president of the Society for French Historical Studies.

Merry E. Wiesner-Hanks (Ph.D., University of Wisconsin-Madison) taught first at Augustana College in Illinois, and since 1985 at the University of Wisconsin-Milwaukee, where she is currently UWM Distinguished Professor in the department of history. She is the coeditor of the *Sixteenth Century Journal* and the author or editor of more than twenty books, most recently *The Marvelous Hairy Girls: The Gonzales Sisters and Their Worlds and Gender in History*. She is the former Chief Reader for Advanced Placement World History.

Joe Perry (Ph.D., University of Illinois at Urbana-Champaign) is Associate Professor of modern German and European history at Georgia State University. He has published numerous articles and is author of *Christmas in Germany: A Cultural History (2010)*. His current research interests focus on issues of consumption, gender, and popular culture in West Germany and Western Europe after World War II."
