Fast, Great ConditionBy Boston GirlI bought this book for my son who's a sophomore in high school; it's his social studies/history text. I was afraid it was going to arrive too late for the start of the semester but to my amazement it arrived just about a day or two after I ordered it and it's in great condition! I would buy from this seller again.0 of 5 people found the following review helpful. UNHAPPY WITH RETURNBy Susan OttI returned this book unopened the day after it was received Sept 11 and have yet to see a refund. I would not buy from again.

'A History of Western Society' examines the lives of both historical figures and ordinary people, providing a balanced account of Western history as a whole.
