1 of 1 people found the following review helpful. Easy readingBy JerryThis is a very good History book. Concise and not overly filled with too much. Makes it easy on the students to learn the basic knowledge needed and possibly peak further interest into details.0 of 0 people found the following review helpful. GoodBy AlphaThis textbook wasn't too difficult to read. The only thing that detracts from its character and appeal is the number of things there are to look at on each page. It can become quite distracting.0 of 0 people found the following review helpful. my favoriteBy LarryI

read the whole book for my History class at BMCC. This book has excellent illustrations, maps and guideline. Enjoy it very much
