John P. McKay, Bennett D. Hill, John Buckler, Patricia Buckley Ebrey, Merry E. Wiesner-Hanks, Roger B. Beck, Clare Haru Crowston : A History of World Societies, Volume B: From 800 to 1815 before purchasing it in order to gage whether or not it would be worth my time, and all praised A History of World Societies, Volume B: From 800 to 1815:

0 of 0 people found the following review helpful. Just like the 9th edition, only cheaperBy A. MackI needed this book for an online Maymester class and I used this one instead of the 9th edition that was 150 dollars! This one had all of the same info (I looked at a classmates book to double check the content) and I ended up getting a really good grade using it and it was a reading based class. It is informative and fairly easy to read, not to dense.0 of 0 people found the following review helpful. very well written and easy to studyBy CustomerMagnificent book, very well written and easy to study. Incredible amount of add info packaged aside the elementary text.Fast delivery, saved my schedule of

studies for this autumn. 0 of 0 people found the following review helpful. I read it for enjoyment and brush upon my history. By Andrew Kim Well written text book. I read it for enjoyment and brush upon my history. It is older version, but the content is lucidly written in junior high/high school level language. I recommend it for a casual reading and level and even perspective of history. At cost of 4\$ with shipping you cannot beat it for its sheer 1000+ page content.

A History of World Societies introduces students to the global past through social history and the stories and voices of the people who lived it. Now published by Bedford/St. Martin's, and informed by the latest scholarship, the book has been thoroughly revised with students in mind to meet the needs of the evolving course. Proven to work in the classroom, the book's regional and comparative approach helps students understand the connections of global history while providing a manageable organization. With more global connections and comparisons, more documents, special features and activities that teach historical analysis, and an entirely new look, the ninth edition is the most teachable and accessible edition yet.
