Kurt I. Lewin : A Journey Through Illusions before purchasing it in order to gage whether or not it would be worth my time, and all praised A Journey Through Illusions:

0 of 0 people found the following review helpful. A wonderfully rendered book about the years of WW2 ad so ...By AndreaA wonderfully rendered book about the years of WW2 ad so much more! The before times as the son and grab on of renowned rabbis; the during years as a part of the Sudite community; and the later years of healing and growth both in Israel and America. I was overwhelmed by this honest and revealing life, where suffering and joy resided.2 of

3 people found the following review helpful. A Story That Must Keep LivingBy David AndersonThe life story of Kurt Lewin is a remarkable one that extends well beyond the words in this title. Perhaps he chose it because only by seeing the early period as an illusion could he continue to live. It is literally a journey through what the world must never forget as a terrible reality of human depravity and one that is still with us. The book carries the reader over a road that must never be forgotten. It leaves that reader with hope for renewal of cohesiveness between the citizens of this world.David Anderson
