Father Hays is a genius who inspires me every day with his down to earth spirituality. It is very evident that he is a thorough researcher....he continually amazes me with the customs events that he cites for each day. His writing style is clear, concise easy both to read to understand. Everyday when I finish reading the entry for that day, I offer the same

prayer..."Thank you, Father Hays! You are a blessing in my life."0 of 0 people found the following review helpful.

Giving for all kinds of gifts.By Marcia PerrineThis book was introduced to me in my Sunday school class by a lawyer
that is a member. We have all enjoyed it so much. I started buying it for gifts and now my mother has me order it for
her to give at gifts. This book is really interesting.

With a brief reflection for each day of the year, this almanac is appropriate for every year. These wise and challenging
meditations celebrate seasons, famous birthdays, dates of wondrous inventions, historical occurrences, and sacred
observances.
