Janina David : A Square of Sky: A Wartime Childhood: from Ghetto to Convent before purchasing it in order to gage whether or not it would be worth my time, and all praised A Square of Sky: A Wartime Childhood: from Ghetto to Convent:

The true, devastating story of a Jewish child's survival in wartime Poland, while the rest of her family were killed by the Nazis. Like *The Diary of Anne Frank*, but by a survivor who, instead of her own death, has to come to terms with the death of her parents and her own survival. Made into a massively successful film in Germany, where the author played a crucial role in excavating the legacy of the Holocaust by lecturing on her life.
