**Sangharakshita : A Survey of Buddhism: Its Doctrines and Methods Through the Ages** before purchasing it in order to gauge whether or not it would be worth my time, and all praised A Survey of Buddhism: Its Doctrines and Methods Through the Ages:

0 of 0 people found the following review helpful. One of the chief virtues of Sangharakshita's Survey is the fine balance struck between the 'abstract-theoretical' and 'concrete-By Thomas William FraserSangharakshita's Survey is

perhaps the most lucid and comprehensive overview of Buddhism I've yet encountered - a truly profound, exhaustive and authoritative mapping of the Dharma. The text is dense and somewhat demanding but the rewards are ample and well worth the effort. One of the chief virtues of Sangharakshita's Survey is the fine balance struck between the 'abstract-theoretical' and 'concrete-existential' - the text is suitable for scholars and practitioners alike but will certainly appeal mostly to the 'scholar practitioner'. Heartily recommended to all! 0 of 0 people found the following review helpful. Relevant, thorough and rewarding By CustomerA complete and thorough survey of Buddhism, as relevant now as when it was written 0 of 0 people found the following review helpful. A Survey of Buddhism - Read it now! By Nityadana Essential reading for any person in any way interested in or committed to Buddhism.

An indispensable study of the whole field of Buddhist thought and practice, placing its development in a historical context. Now in its ninth edition. The best survey of Buddhism. Dr Edward Conze

About the Author A respected translator and author of over fifty books, Sangharakshita began studying Buddhism at the age of 16. After 20 years studying in India he returned to England and set up the Friends of the Western Buddhist Order which has over 65 centres worldwide, including the USA.
