Ehsan M Entezar : Afghanistan 101: Understanding Afghan Culture before purchasing it in order to gage whether or not it would be worth my time, and all praised Afghanistan 101: Understanding Afghan Culture:

2 of 2 people found the following review helpful. A mujst read before deploying to AfghanistanBy Albert L BrewsterI

was called to Kabul Afghanistan last August 2012 in response to the Green on Blue murders of 3 of our Border Management Task Force contractors. After 26 years in the military I've seen plenty of war torn countries but this trip to Afghanistan sent me on a mission to better understand what was obviously an extraordinarily complex and multifaceted culture. To do this I selected both the excellent history by Thomas Barfield (also reviewed here) and this more contemporary view of Ehsan M. Entezar. For me it took both books, each unique in their perspective, to capture a satisfactory understanding of the ethnic, religious, tribal and political forces at work in Afghanistan. By it self Barfield provides a superb history. Entezar provides very practical insight into every day Afghan culture and is the minimum must read for the western visitor. Together, these two books will serve you well.7 of 7 people found the following review helpful. Excellent book for people being deployedBy Robert R. CookI purchased this book when I found out I was on my way to Afghanistan. I wanted to understand the culture and way people think before I got here. I was sent to Afghanistan on a mission to train the afghan military and police. This book is a must read for anybody in this type of position. It is almost as if this book was written specifically for my mission. I highly recommend this book for anybody interested in why people are the way they are and how to perceive the Afghan way.0 of 0 people found the following review helpful. Five StarsBy moiINFORMATIVE

Afghanistan 101 is an introduction to Afghan culture. More specifically, this dimensional analysis discusses Power Distance (PD), Uncertainty Avoidance (UA), Individualism (IND), and Masculinity (MAS) in the Afghan national culture. These dimensions are b

About the Authorr. Entezar received his PhD from the University of Texas at Austin, his MA from Columbia University Teachers College in New York City, and his BA from Kabul University. He has taught at Kabul University and the University of Imam Ibn Saud, Riyadh, Saudi A
