**Heidi Holland : African Magic: Traditional Ideas That Heal A Continent** before purchasing it in order to gage whether or not it would be worth my time, and all praised African Magic: Traditional Ideas That Heal A Continent:

2 of 2 people found the following review helpful. Provides Overall Picture of African Magic - Excellent By Mwasha Bukeni This book, like no other, provides an excellent understanding of how magic is a part of peoples everyday lives, in everyday language without the anthropological speak. In it, you will see magic from the eyes of an african. (More later on contents) I cannot recommend this book more. I am surprised this book is not more readily available. Read my

other reviews for some good books on Africa.0 of 2 people found the following review helpful. changes perceptionsBy Mr. S. J. Tilstonthis book will change cynical views of the superstitions of other cultures. great book.

Africa's traditional beliefs, including ancestor worship, divination and witchcraft, continue to dominate its spirituality. Readers in search of a better understanding of the continent will be enriched by this book's timely exploration of sub-Saharan Africa's natural philosophy.
