review helpful. A excellent read on the true meaning of European HolidaysBy nan-yaA excellent read on the true meaning of European Holidays. This book needs to be added to every home and taught to young people in the community.3 of 3 people found the following review helpful. Overall I would recommend. This was not a required reading for schoolBy _LadyThis book offers a different look at traditional American holidays and their origin. The book was informal to me . There were some small bits that I learned that I did not know. Overall I would recommend. This was not a required reading for school.
