Three StarsBy Carlos Ayonnot very interesting, not about very important people, there is a reason they are "untold" stories1 of 1 people found the following review helpful. Five StarsBy WALTERVery good book with fascinating detail to our legal system and U.S. Constitutionality.

The United States of America was founded and established by ordinary citizens just like you and me. In their struggle for independence, these heroic men and women willingly shed their blood, sweat, and tears often sacrificing their own lives and fortunes in order to hand down the precious legacy of freedom we all enjoy today. Now is the time for a new generation of American patriots to rise up and join in the fight. Now is the time for every American to return to the virtues, values, and ideals that formed our foundation of freedom, and enable America to remain a great nation, a powerful democracy, and a beacon of hope for the world. American Patriots highlights the heroic men and women who valiantly fought to secure our God-given rights of life, liberty, and the pursuit of happiness not only for themselves and their children, but for countless future generations. Their stories are a true reminder of the extraordinary faith, courage, and determination that set this country on the path to greatness centuries ago, and an inspiration for future generations of great American patriots.

This book should be required reading in every US history class. In fact, it should be required reading for every American. These unsung Patriots are not only a testament to the unparalleled bravery, spirit, and moral fortitude that this country was built upon but also a reminder of the potential for greatness that resides in the heart of every one of us. (Mark Levin Nationally syndicated radio host) Rick Santorum's American Patriots is a beautifully written, inspiring look at the forgotten heroes whose unparalleled bravery laid the foundation for our country. It's hard to read this book and not be reminded that the shining city still resides within each one of us. (Glenn Beck, New York Times bestselling author of Cowards and founder of TheBlaze.com) American Patriots is the Profiles in Courage for a new generation. Bravo to Rick Santorum for shining a much-deserved spotlight on these unsung heroes of the Revolutionary era. (Laura Ingraham, Nationally syndicated radio host) From the Back Cover Its Time to Answer the Call The United States of America was founded by ordinary citizens who willingly sacrificed their lives and fortunes in order to hand down the precious legacy of freedom we enjoy today. In American Patriots, Rick Santorum shares the true-life accounts of twenty-five unsung heroic men and women from the Revolutionary War era. These citizen Patriots fought valiantly and made significant sacrifices to secure our God-given rights to life, liberty, and the pursuit of happiness not only for themselves, but also for countless future generations. Their stories provide stirring reminders of the extraordinary faith, courage, and determination that set this country on the path to greatness centuries ago, as well as continued inspiration for generations of American patriots to come. Rick Santorum was a candidate for the Republican nomination for president of the United States in 2012. He served in the US House of Representatives from 1991 to 1995 and in the US Senate from 1995 to 2007. He is the founder of Patriot Voices, a grassroots community that is committed to promoting faith, family, freedom, and opportunity, and to being a voice for those who often cannot fight for themselves. Rick and Karen, his wife of twenty-two years, are the parents of eight wonderful children: Elizabeth, John, Daniel, Gabriel Michael (deceased), Sarah Maria, Peter, Patrick, and Isabella. Rick is also an accomplished author, having penned the 2005 New York Times bestseller It Takes a Family.
