**Ebenhard Borre : An Encyclopedia of Heroes in Norse Mythology** before purchasing it in order to gage whether or not it would be worth my time, and all praised An Encyclopedia of Heroes in Norse Mythology:

Norse mythology is the body of mythology of the North Germanic people stemming from Norse paganism and continuing after the Christianization of Scandinavia and into the Scandinavian folklore of the modern period. This book covers the noteworthy heroes of Norse mythology, with unparalleled depth and focus, shedding light on one of history's most interesting chapters.
