Moya Carey : An Illustrated History of Islamic Architecture before purchasing it in order to gage whether or not it would be worth my time, and all praised An Illustrated History of Islamic Architecture:

A fascinating survey of the glorious architectural achievements of the Islamic world, including mosques, ghiblas, madrasas, memorials for the dead, bazaars, buildings, courtyards and fortified walls. Features all the most outstanding examples of Islamic architecture, such as the Dome of the Rock in Jerusalem, the Great Mosque in Damascus, the many richly decorated desert palaces, the Taj Mahal at Agra, Topkapi Palace at Istanbul, and todays modern Dubai skyscrapers.
