Office of Government Commerce : An Introduction to PRINCE2: Managing and Directing Successful Projects
before purchasing it in order to gauge whether or not it would be worth my time, and all praised An Introduction to PRINCE2: Managing and Directing Successful Projects:

Following the PRINCE2: 2009 Project, there are now two editions for PRINCE2; 'Managing Successful Projects with PRINCE2' and 'Directing Successful Projects with PRINCE2'. The 2009 edition of Managing Successful Projects with PRINCE2 represents an evolution of the previous manuals. The basic methodology remains, but by building on comments from users, this new manual aims to be more accessible and easier to tailor for specific individual needs. The new Directing Successful Projects with PRINCE2 is aimed at supporting the senior manager responsible for a project, specifically those managers undertaking an executive role on a project for the first time. This guide provides a high level introduction to the updated PRINCE2 method covering both the Managing and Directing publications. It introduces the principles, processes and key themes, and gives practical examples of applying the method in practice.
