John Curtis : Ancient Persia (Introductory Guides) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Ancient Persia (Introductory Guides):

This second edition to the art, archaeology and history of Ancient Persia, includes new discoveries and ideas and corrects errors from the first edition. This concise introduction to the subject continues to form a guide to the collection of the British Museum whilst also commenting extensively on the Ancient Persian communities from 6000BC to the 7th century AD.

About the Author John Curtis is Keeper of Special Middle East Projects at the British Museum and a Fellow of the

British Academy. His personal research interests focus on the archaeology and history of Iraq and Iran, c.1000-330 BC. He is the author of a number of books including *An Examination of Late Assyrian Metalwork*, *Ancient Persia*, *The Oxus Treasure*, *Forgotten Empire* (with Nigel Tallis) and *The Horse: From Arabia to Royal Ascot* (with Nigel Tallis).
