Claude Jacques : Angkor Cities and Temples before purchasing it in order to gage whether or not it would be worth my time, and all praised Angkor Cities and Temples:

Angkor, Cities and Temples By Gearsau I have been to the Angkor Temples on three or four occasions. In my opinion, this book is by far the best pictorial coverage of the temples. The cover photo is taken at Banteay Srei shrine. Its a small temple about 30 km from Siem Reap. Well worth the visit, and I suggest going in the afternoon or early morning to get the best effect of the pink sandstone there. Hopefully, I will visit Angkor Wat again, early in 2013.

Features the most significant monuments of Angkor, showing the extraordinary achievements of the Khmer

civilization.
