From Cambridge University Press : Animal Sacrifice in the Ancient Greek World before purchasing it in order to gage whether or not it would be worth my time, and all praised Animal Sacrifice in the Ancient Greek World:

Animal sacrifice was the central act in all ancient Mediterranean religions, but the unique features of Greek practice continue to challenge modern interpreters.

About the Author Sarah Hitch has held a Leverhulme Early Career Fellowship at Corpus Christi College where she is now the Associate Director of the Centre for the Study of Greek and Roman Antiquity. She has researched and published widely on various aspects of Greek religion. Ian Rutherford is Professor of Greek at the University of Reading. He is one of the foremost experts on ancient religion and has published widely on the topic, including his recent monograph *State Pilgrims and Sacred Observers in Ancient Greece* (Cambridge, 2013).
