homework. By Eldon J. Stracke II The Pacemaker Classic edition, published by Globe Fearon, is an abridged and adapted work intended for use in grade-school classrooms; I failed to investigate the publisher and went by the description alone ("... This new edition restores diary entries omitted from the original edition, revealing a new depth to Anne's dreams, irritations, hardships... etc). In short, it pays to not accept a product description as truth when dealing with items that have had extensive and varied distribution from multiple sources. Edit: Kudos to ; they very quickly credited me back for this purchase once I explained how the description misleads.

With its high-interest adaptations of classic literature and plays, this series inspires reading success and further exploration for all students. These classics are skillfully adapted into concise, softcover books of 80-136 pages. Each retains the integrity and tone of the original book. Interest Level: 5-12 Reading Level: 3-4
