**David Nirenberg : Anti-Judaism: The Western Tradition** before purchasing it in order to gage whether or not it would be worth my time, and all praised Anti-Judaism: The Western Tradition:

0 of 0 people found the following review helpful. It is not an easy read, have to use the dictionary for several ...By Larry CoffeyA thought provoking book. It is history that was never taught in school. It is not an easy read, have to use the dictionary for several words to understand some of the points. This is not a beach read, but should be read by those who like history and a different point of view. It is definitely worth reading.0 of 0 people found the following review

helpful. GoodBy marina ErgasIt puts together information that u usually come across in different textIt is very informative0 of 0 people found the following review helpful. Five StarsBy John S. FriedmanOne of the most important and revealing books I have ever read.

Exhilarating . . . a scholarly tour de force. The story Nirenberg has to tell is not over. Adam Kirsch, Tablet This incisive history upends the complacency that confines anti-Judaism to the ideological extremes in the Western tradition. With deep learning and elegance, David Nirenberg shows how foundational anti-Judaism is to the history of the West. Questions of how we are Jewish and, more critically, how and why we are not have been churning within the Western imagination throughout its history. Ancient Egyptians, Greeks, and Romans; Christians and Muslims of every period; even the secularists of modernity have used Judaism in constructing their visions of the world. The thrust of this tradition construes Judaism as an opposition, a danger often from within, to be criticized, attacked, and eliminated. The intersections of these ideas with the world of powerthe Roman destruction of the Second Temple, the Spanish Inquisition, the German Holocaustare well known. The ways of thought underlying these tragedies can be found at the very foundation of Western history. 8 pages of illustrations

Learned and disquieting. . . . Anti-Judaism identifies a persistent and pervasive thread in the fabric of Western thought that no future commentary . . . will be entitled to ignore. - R. I. Moore, NationChilling. . . . Nirenberg offers his painful and important history so that we might recognize these patterns [of intolerance and violence] in hopes of not falling into them yet again. - Michael S. Roth, Washington PostBrilliant, fascinating. - Michael Walzer, New York of Books[A] magisterial work of intellectual history. - Publishers WeeklyAbout the AuthorDavid Nirenberg is the Deborah R. and Edgar D. Jannotta Professor of Medieval History and Social Thought at the University of Chicago, where he is also director of the Neubauer Family Collegium for Culture and Society.
