Augustine : Augustine: Political Writings (Hackett Classics) before purchasing it in order to gage whether or not it would be worth my time, and all praised Augustine: Political Writings (Hackett Classics):

0 of 0 people found the following review helpful. Five StarsBy CustomerEXCELLENT12 of 16 people found the following review helpful. Purchased for a classBy AmoebaI got this book for a class on ancient and medieval political thought, with which I had little background (my philosophy pre-req course was a joke). I was pleasantly surprised with

the translation. It was easy to read and easy to understand, with a very casual tone. Unlike a lot of philosophy translations, which tend to be condescending or go out of their way to be convoluted, this one was like a conversation with a friend. Very modern and easy to use for reference and discussion. 0 of 3 people found the following review helpful. Five Stars By Hayden William Nelson Perfect condition

The best available introduction to the political thought of Augustine, if not to Christian political thought in general. Included are generous selections from City of God, as well as from many lesser-known writings of Augustine.

[This volume] offers one-stop access to the political ideas of a major pre-modern thinker. The translations are fresh, accurate, supple, and clear, and the notes and comments are helpful. Ernest Fortin's excellent Introduction sets the central text, the City of God, in historical perspective and outlines problems Augustine faced in trying to reconcile Christian faith with the legitimate demands of civic life. --Alan R. Perreiah, Teaching Philosophy
