But it was nicely packaged.1 of 2 people found the following review helpful. Twin Galaxies records weren't includedBy J.This is a tiny subset of the records set over the last year. They wasted so much space on pictures. Of course you can't publish every record, but you can publish way more than this.

From the global authority in record-breaking comes the 11th edition of the worlds best-selling videogames annual. Packed with the latest records, coolest stars and the biggest games, the Guinness World Records Gamers Edition is the go-to bible for every gaming fan. Just ask the five million readers who've made it an international sensation! Inside you'll find amazing stats, thrilling facts, inspirational tales, lightning-quick speed-runs and dazzling photos. Read about the records behind your favorite games including Mario, Overwatch, FIFA, WWE and Rocket League, plus recap on a year of crazy Pokmon GO stories. Go behind the scenes of the worlds longest-running eSports organizer. Spook yourself silly with real-life videogame mysteries. Check out the fastest videogame completions. And gaze in envy at the worlds largest Zelda and Tomb Raider collections! You'll also meet gaming heroes such as the worlds oldest games YouTuber at 81, a man with a real-life cyborg arm that was inspired by Deus Ex, and the kingpin of eSports fighting games. But the videogame stars don't get much bigger than DanTDM, whose Minecraft channel has been watched nearly 10 billion times! So we're thrilled he's written a special intro just for the Guinness World Records Gamers Edition. Speaking of heroes grab your cape and turn to this year's special chapter featuring superhero games. It's hard to believe it's been nearly 40 years since Superman first exploded onto our consoles! So, we're celebrating with your favorite costumed crime-battlers. From Spider-Mans web-crawling to Batmans gadgetry, they're just as powerful in pixels as they are in the movies. So, whether you want to know who scored the fastest goal in FIFA or achieved the fastest speed-run of Final Fantasy XV, or just want to see the worlds biggest Game Boy, this is the book for you!
