**Jonathan A. C. Brown : Hadith: Muhammad's Legacy in the Medieval and Modern World (Foundations of Islam)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Hadith: Muhammad's Legacy in the Medieval and Modern World (Foundations of Islam):

6 of 6 people found the following review helpful. Through, unbiased and easy to understand By Ensar Demirkan As a

practicing Sunni Muslim and a high caliber Hadith scholar, who has tremendous respect for the roots of Hadith and scholars of the past, Prof. Brown managed to bring forth an unbiased and unparalleled work explaining not only Sunni Hadith tradition but also Shia understanding of this science. He also looks at the Hadith criticism from all possible and valid angles, such as traditional Sunni, Shia, Orientalist, modernist revivalist Muslims, the "Only Qur'an" movement etc. While doing this, he is meticulous, impartial and thorough. I benefited a lot from this book and I recommend it highly..3 of 3 people found the following review helpful. A contribution of deep learningBy Alum BatiThis should be required reading for anyone studying the history of Islam. The author is one of the few westerners (including academics) who understands hadiths, their importance and limitations in the making of Islamic jurisprudence1 of 1 people found the following review helpful. Excellent book for understanding the legacy of the Prophet (SAW) ...By CustomerExcellent book for understanding the legacy of the Prophet (SAW) and how his thoughts and actions were compiled by early Muslim community.

Contrary to popular opinion, the bulk of Islamic law does not come from the Quran but rather from hadith, first-hand reports of the prophet Muhammads words and deeds, passed from generation to generation. However, with varying accounts often only committed to paper a century after the death of Muhammad, Islamic scholars, past and present, have been faced with complex questions of historical authenticity. Informative and accessible, this wide-ranging introduction provides a detailed exploration of the collection and criticism of hadith and examines the controversy surrounding its role in modern Islam. Complete with a glossary, extensive bibliography, and helpful diagrams, Hadith is perfectly suited to students, scholars, and the general reader interested in this critical element of Islam. Jonathan A.C. Brown is Assistant Professor of Arabic and Islamic Studies, University of Washington, Seattle. He is the author of Muhammad: A Very Short Introduction.

"A must read and a great read. The combination of impeccable, critical scholarship with a story teller's style has produced an introductory volume that is both substantive and remarkably engaging." --John L. Esposito, Founding Director of the Center for Muslim-Christian Understanding at Georgetown University, and Editor of The Oxford Dictionary of Islam. "A comprehensive study of the scholarship throughout Islamic history dealing with the Traditions of the Prophet. A synthesis of critical analysis and informed understanding that presents a significant new perspective on a much-debated subject." About the Author Jonathan A.C. Brown is Assistant Professor of Arabic and Islamic Studies, University of Washington, Seattle. He is the author of Muhammad: A Very Short Introduction.
