After reading the first few chapters it was clear to

see this books influence on most modern/current reggae acts lyrics and core beliefs. The author ties in world history with the book of revelations all the while assuring the reader that we are no better then those that have come before us...even those that have made cataclysmic mistakes. Very educatin and a very very quick read. This is the type of book you can read in a day or two and then pick it up and read again and again. That informative and easy to respond to!

The present work is characteristic of the bold style of rastafari scholarship that leaves no stone unturned in its broad sweep of man's existence on this planet

From the Publishera profound document...rasta really has it this time! it is definitely a mind buster...mystical yet practical...rastafari speaksAbout the AuthorRastafarian born in London of Jamaican parents
