Dewan, Parvez : Hanuman Ji: His Vanars and His Lanka before purchasing it in order to gage whether or not it would be worth my time, and all praised Hanuman Ji: His Vanars and His Lanka:

Sri Ram is the most popular deity among the Hindus. Hanuman ji is his greatest devotee and also the keeper of the gates that lead to Sri Ram. The devout believe that the only way to reach Sri Ram is through Hanuman ji. That Hanuman ji and the Vanars were monkeys is a belief that has been with the Hindus at the folk level for centuries perhaps for more than three thousand years.
