**Mairi Hedderwick : Hebridean Desk Diary 2017** before purchasing it in order to gage whether or not it would be worth my time, and all praised Hebridean Desk Diary 2017:

Featuring distinctive, full-color paintings and sketches, this hardcover desk diary celebrates the extraordinary beauty of the Scottish Hebrides through the seasons. Selected from the past 40 years of the artist's work, the collection demonstrates the changing faces of the landscapes while portraying a range of islands, from Arran to Tiree. Ideal for either the home or office, this desk diary makes a memorable gift while expertly capturing the essence of the Hebrides.

About the AuthorMairi Hedderwick was born in Gourock, Scotland. As a student she took a job as a mothers help on

the Isle of Coll in the Hebrides, beginning a life-long love affair with islands and their small communities.
