From Brand: The Crossroad Publishing Company : Hindu Spirituality: Postclassical and Modern (World Spirituality) (Vol 7) before purchasing it in order to gage whether or not it would be worth my time, and all praised Hindu Spirituality: Postclassical and Modern (World Spirituality) (Vol 7):

This book explores the richness of the Hindu tradition in its postclassical and modern periods. Chapters on Hinduism's poetry, art, philosophy, festivals, and music, as well as modern pioneers such as Sri Aurobindo and Mahatma Gandhi, are arranged in sections on regional spiritualities; the spiritualities of the Puranas, Agamas, and Tantra.
