From Crossroad Publishing Company : Hindu Spirituality: Vedas Through Vedanta (World Spirituality) before purchasing it in order to gage whether or not it would be worth my time, and all praised Hindu Spirituality: Vedas Through Vedanta (World Spirituality):

A broad-ranging, lightly-illustrated, scholarly treatment of core topics in Hindu spirituality during its formative earlier

periods. It brings together the complex skein of thoughts, beliefs, and practices that developed from the archaic period of the Vedas and received their early crystallization as Vedanta. It presents the eternal, timeless dimension of Hinduism.
