Mahatma Gandhi : Hindu Widow Re-Marriage Other Tracts (Classic Reprint) before purchasing it in order to gage whether or not it would be worth my time, and all praised Hindu Widow Re-Marriage Other Tracts (Classic Reprint):

Excerpt from Hindu Widow Re-Marriage Other TractsIt is, I think, a matter of common knowledge that Hindu parents have a great desire see their girls married as early as possible. This hankering after the marriage of children probably

owes its existence to the religious faith that every person must be married so as to be able to perform the religious duties more efficaciously. It is, perhaps, also due to the natural desire of procreation as well as to enjoy the Grihast Ashram or conjugal life. Lastly, it, perhaps, owes its origin in the fact that the best walk of life for women is the married life. It may not be out of place to mention here an instance of this solicitude which I have noticed in common parlance among women on the subject of marriage.
