Raman N : History of Science, Philosophy and Culture In Indian Civilization: Vol VII Part 3 Hinduism before purchasing it in order to gauge whether or not it would be worth my time, and all praised History of Science, Philosophy and Culture In Indian Civilization: Vol VII Part 3 Hinduism:

The volumes of the PROJECT ON THE HISTORY OF SCIENCE, PHILOSOPHY AND CULTURE IN INDIA CIVILIZATION aim at discovering the main aspects of India's heritage and present them in an interrelated way. In spite of their unitary look, these volumes recognize the difference between the areas of material civilization and those of ideational culture. The project is not being executed by a single group of thinkers and writers who are

methodologically uniform or ideologically identical in their commitments. The Project is marked by what may be called methodological pluralism.
