Vita S. Antoni : History of the Arians before purchasing it in order to gage whether or not it would be worth my time, and all praised History of the Arians:

And not long after they put in execution the designs for the sake of which they had had recourse to these artifices; for they no sooner had formed their plans, but they immediately admitted Arius and his fellows to communion. They set

aside the repeated condemnations which had been passed upon them, and again pretended the imperial authority in their behalf. And they were not ashamed to say in their letters, since Athanasius suffered, all jealousy has ceased, and let us henceforward receive Arius and his fellows; adding, in order to frighten their hearers, because the Emperor has commanded it. Moreover, they were not ashamed to add, for these men profess orthodox opinions; not fearing that which is written, Woe unto them that call bitter sweet, that put darkness for light ; for they are ready to undertake anything in support of their heresy.
