John P. McKay, Bennett D. Hill, John Buckler, Clare Haru Crowston, Merry E. Wiesner-Hanks, Joe Perry : History of Western Society Since 1300 for Advanced Placement before purchasing it in order to gage whether or not it would be worth my time, and all praised History of Western Society Since 1300 for Advanced Placement:

0 of 0 people found the following review helpful. Great for college prepBy Book AddictThis comes highly approved by the AP Euro history teacher at the local high school. This was purchased after my daughter took the class and loved this text. She plans on studying history in college and feels that it will be very useful.1 of 1 people found the following review helpful. Good for Moms tooBy KohoHistory was my worst subject 30 years ago. I am reading this now with my teenaged son, for his AP World HHistory class, as remedial work for myself. I am very impressed at the sophistication, and broad context this text accomplishes. I feel I am understanding MY world, in a way I was never able to when I was a student myself.0 of 0 people found the following review helpful. Five StarsBy Mohammad Ahmadgood

A History of Western Society continues to capture the attention of AP European history students because it recreates the lives of ordinary people and makes history memorable. Brought to you by the highly regarded editors at Bedford/St. Martins, every element of the text has been rethought, reconsidered, and revised to bring the original vision to a new generation of students. The tenth edition continues to tie social history to the broad sweep of politics and culture, heightening its attention to daily life, and strengthening the treatment of European exploration. With a dynamic new design, new special features on visual evidence, and a robust companion reader, A History of Western Society helps AP students master the concepts and content of European history.

'Students relate well to the 'people' emphasis. It's the best textbook I've seen.' - Nancy B. Bjorklund, Fullerton College, USA
