I would be more into it if it was current. Still giving it a chance, though. 7 of 8 people found the following review helpful. Totally Magical By Sly FI am

fascinated by Vodou and Hoodoo and read up on them as much as I can. Can't seem to get enough and these Hoodoo Almanacs (I believe this is the third one) are wonderful. The whole presentation of the book is atmospheric with artwork and fascinating articles. Even the ads are interesting to look over. I especially like how she includes lore and information from other similar cultures and practices such as from the Mexican and Indian culture. In this almanac, she included an article titled "High Desert Hoodoo" which totally thrilled me, since I also live in the high desert (actually only a short distance from where Denise Alvarado resides here in AZ). This is the type of book I will go back to time and time again. 3 of 3 people found the following review helpful. Five Stars By petrafull of information and a must have for rootworkers

**SHUT THE FRONT DOOR!** We did it again, yall. For the third year in a row, we bring to you the hidden cultures of the southern swampers, urban hoodoos and hill folk in our highly successful annual publication **HOODOO ALMANAC 2014 2015**. This is two years (24 months) of entertaining and educational conjure and practical information for rootworkers, folk magicians, folklorists, researchers and spiritualists. **HOODOO ALMANAC 2014 2015** contains herbal cures and medicines, tarotscopes, conjure formulas, calendars of notable days, numerology, lucky lotto tips, gardening tricks for rootworkers, notable African Americans, and conjure works of all types and varieties. And that's just the tip of the root! The **HOODOO ALMANAC 2014 2015** is the third edition of the very first almanac published in the world that focuses on southern folk magic, conjure and rootwork, Native American conjure, New Orleans Voodoo and other African-derived traditions. A veritable treasure trove of facts and information for conjurers and the curious alike. Hoodoo happens outside the ordinary persons comfort zone. But, in the **HOODOO ALMANAC**, we don't hide conjure. We parade it in the streets and give it a sweet tea. **MAGIC, PURE MAGIC. THE HOODOO ALMANAC 2014-2015.** by Denise Alvarado, Carolina Dean and Alyne Pustanio, with contributions by Celeste Heldstab.
