Francesca Simon : Horrid Henry: Horrid Henry Annual 2017 before purchasing it in order to gage whether or not it would be worth my time, and all praised Horrid Henry: Horrid Henry Annual 2017:

1 of 1 people found the following review helpful. Very entertaining. Holds the interest of my seven-year-old in a way no other book series has been able to.By Caroline MVery funny stories! My seven-year-old loses interest in other early chapter book series, but with Horrid Henry she wants to keep reading to find out what happens. The stories are so entertaining that my older children want to read them too, even though they have moved onto more difficult books. I even find myself finishing off a Horrid Henry after my seven-year-old has gone to bed as I don't want to wait until the next night to find out what happens!0 of 0 people found the following review helpful.
