Carla Power : If the Oceans Were Ink: An Unlikely Friendship and a Journey to the Heart of the Quran before purchasing it in order to gage whether or not it would be worth my time, and all praised If the Oceans Were Ink: An Unlikely Friendship and a Journey to the Heart of the Quran:

If the Oceans Were Ink is Carla Power's eye-opening story of how she and her longtime friend Sheikh Mohammad Akram Nadwi found a way to confront stereotypes and misperceptions that were cleaving their communities. Both knew that a close look at the Quran would reveal a faith that preached peace and respect, not oppression and mass murder. Power, who grew up in the Midwest and the Middle East, offers her unique vantage point on the Quran's most provocative verses as she debates with Akram, conversations filled with good humor and powerful insights. Here Power and Akram offer eye-opening perspectives, destroy long-held myths, and reveal startling connections between worlds that have seemed hopelessly divided for far too long.
