Jamie Hunter : IHS Jane's All the World's Aircraft in Service 2013-2014 before purchasing it in order to gage whether or not it would be worth my time, and all praised IHS Jane's All the World's Aircraft in Service 2013-2014:

Delivers comprehensive, reference information on out of production civil and military aircraft in service around the world. This book provides insights into civil and military air platforms in service, enabling AD businesses to identify

revenue opportunities through maintenance, and supporting military and security organisations.
