From Brand: University of Nebraska Press : Imaginary Neighbors: Mediating Polish-Jewish Relations after the Holocaust before purchasing it in order to gage whether or not it would be worth my time, and all praised Imaginary Neighbors: Mediating Polish-Jewish Relations after the Holocaust:

1 of 1 people found the following review helpful. Almost Nothing New. One-Sided. No Mediation in This Book. Not Helpful to Polish-Jewish Relations By Jan Peczkis I picked up this book expecting, as the title had claimed, a theme

related to the mediation of Polish-Jewish relations. It does not do this. It does not even present both points of view. It is largely a repetition of various accusations against Poland (for example, the claims of Jan T. Gross on Jedwabne). The authors of this anthology who depart the most from objectivity, are Joanna B. Michlic, Joanna Baumann, Ewa Plonowska Ziarek, Joanna Tokarska-Bakir, and Dorota Glowacka. Want something better? The reader who is genuinely interested in mediating Polish-Jewish relations, in light of the legacy of the Holocaust, and from a Jewish viewpoint, should instead read Ludwik Hirszfeld: *The Story of One Life* (Rochester Studies in Medical History).³ of 7 people found the following review helpful. No Mediation. Not Helpful to Polish-Jewish Relations By Jan Peczkis WARNING: Cultural Marxism UWAGA: Kulturowe Marksizm The reader will find little that is new in this anthology. I picked up this book expecting, as the title had claimed, a theme related to the mediation of Polish-Jewish relations. It does not do this. It does not even present both points of view. It is largely a repetition of the claims of Jan T. Gross on Jedwabne. The authors of this anthology, who depart the most from objectivity, are Joanna B. Michlic, Joanna Baumann, Ewa Plonowska Ziarek, Joanna Tokarska-Bakir, and Dorota Glowacka. Want something better? The reader who is genuinely interested in mediating Polish-Jewish relations, in light of the legacy of the Holocaust, should instead read Ludwik Hirszfeld: *The Story of One Life* (Rochester Studies in Medical History). The author was a Polish Jew and intellectual, and he had often found himself on both sides of the issues that have divided Poles and Jews.

Imaginary Neighbors offers a unique and significant contribution to the contemporary debate concerning Holocaust memory by exploring the most important current political topic in Poland: Jewish-Polish relations during and after World War II. Drawing on the controversy and attention generated by Jan Gross's landmark book *Neighbors*, whose description of the brutal Jedwabne massacre reignited the debate over Polish-Jewish relations during the war, this timely volume presents a rich and nuanced examination of the manner in which past and present relations between Poles and Jews are understood in Poland and in the Polish and Jewish diasporas.

About the Author Dorota Glowacka is an associate professor in Contemporary Studies at the University of Kings College, in Halifax, Nova Scotia. She is a coeditor of *Between Ethics and Aesthetics: Crossing the Boundaries*. Joanna Zylinska is a senior lecturer in the Department of Media and Communications at Goldsmiths College at the University of London. She is the author of *The Ethics of Cultural Studies* and *On Spiders, Cyborgs, and Being Scared: The Feminine and the Sublime*.
