**Baba Ifa Karade : Imoye: A Definition of the Ifa Tradition** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Imoye: A Definition of the Ifa Tradition:

0 of 0 people found the following review helpful. Five Stars By Customer Great read! 0 of 0 people found the following review helpful. Mind and eye opener! By sbight1 It feels good to learn the truth! Who we really are and how we're connected to GOD! 0 of 0 people found the following review helpful. A must read for Ifa/Orisha devotees! By Vince Rodriguez Must read for all Ifa/Orisha practitioners. Excellent! Plus excellent reference book for practitioners.

Clearly and methodically, Baba Ifa Karade renders an outstanding depth of insight into the Ifa tradition. Beginning with its "Genesis" and progressing to the religious traditions and practices, Mr. Karade states "It is important for the devotees of the Yoruba faith to explore the origins of the Yoruba in both historical and cultural dimensions in addition to studying the structure of the Ifa philosophy and religious culture. By studying and contemplating upon the vast richness of the tradition, devotees are also less likely to rest upon the "Occult-like" levels and rise to the plateau of realizing Ifa as a path to inner enlightenment and divine reflection. This literary work represents a courageous step in broadening and elaborating on previously held concepts by some devotees and non-devotees alike that rested upon cultural imitations, while gaining no understanding of the ultimate purpose and directives of the deepness of the African ancestral thought, behavior and concepts of the world at large and divine realms. This book clearly places Baba Ifa Karade among the uninhibited, who would elevate the philosophy and directives of the Ifa tradition.
