**Venerable Master Hsing Yun : Infinite Compassion, Endless Wisdom: The Practice of the Bodhisattva Path** before purchasing it in order to gage whether or not it would be worth my time, and all praised Infinite Compassion, Endless Wisdom: The Practice of the Bodhisattva Path:

1 of 1 people found the following review helpful. role modelsBy Bruce MilesThis slim volume presents the reader with a number of Buddhist role models. The Bodhisattva Path becomes easier when you have a guide. Some stories

are based on real people, others on fictional tales...does it matter? Even Frodo modeled Buddha behavior. I only give it 4 stars in that I wish there were more stories, more depth. However, it is a start. 1 of 1 people found the following review helpful. Quite the read for Buddhist who want to drive their spirituality further By Midwest Book Review A Bodhisattva is something all Buddhists should yearn to be. "Infinite Compassion, Endless Wisdom: The Practice of the Bodhisattva Path" is a guide to the Bodhisattva, and how a Buddhist can embrace this path in their lives. Drawing from famed follower of the path, and how they do it and how the everyday person can start down the path as they live their lives, "Infinite Compassion" is quite the read for Buddhist who want to drive their spirituality further.

Infinite Compassion, Endless Wisdom introduces us to the many Buddhist practitioners who have, for centuries, selflessly labored for the benefit of others. These men and women are bodhisattvas: people who work not only for their own enlightenment and self-improvement, but have vowed to lead all beings down the path to liberation as well. From the great bodhisattvas that adorn shrine rooms whose lives are confined to myth and legend, to those Buddhist masters who shaped the religion we know today, Infinite Compassion, Endless Wisdom shares their lives, their teachings, and their practice.
