Islam is the religion of peace. This book shows how intelligent and diabolical some of the leaders are and the fools that follow them. If Trump is not elected to shut off this faucet from the cauldron known as the Middle East, you better get your gun and your ammunition before Hillary outlaws it. Folks this is serious and the Arab writing this book is trying to tell us how to save our infidel skins. 5 of 5 people found the following review helpful. A MUST read to learn about Radical Islam! This is essential information By Roddy Dryer This is great, since it came from someone truly on the inside of the ugliness of this corrupted faith. If people want some true and definitive information about the radicalization of Islam, here is the perfect place to start. This book also offers a glimmer of hope that we may not have to choose between Islam and the future of humanity. This is essential reading for all infidels, but mainly for most Muslims who haven't gone beyond the point of no return yet.

Why has radical Islam become such a deadly threat and why does it dominate the Muslim world? A quarter-century ago, Tawfik Hamid was recruited into Jamaa Islamiya, a terror group led by Dr. Ayman al-Zawahiri, the man who replaced Osama bin Laden to become the leader of al-Qaeda. Eventually and miraculously, Dr. Hamid recognized the insidious nature of violent jihad and rejected its distortions of the Quran, the holy book of the Muslim faith. Ever since, he has pursued a path of reformation within Islam by writing new interpretations of the book's key texts and by sharing his message in mosques. *Inside Jihad* reveals Dr. Hamid's insights about the Islamic terror movement drawn from his personal experiences. As a medical doctor and a psychologist, he helps readers understand the jihadist mindset. He also explains the meaning of jihad and the role that sex, petrodollars and the hijab for women play in its proliferation. And he details his bold plan for Islamic reformation that would eventually change the minds of jihadists and stop their reign of terror.

"Reformers such as Tawfik Hamid ... must be supported and protected. They should be as well known as Solzhenitsyn, Sakharov and Havel were in the 1980s." Ayaan Hirsi Ali, best-selling author, opponent of Radical Islam and advocate of the reform of Islam
