From Brand: Lexington Books : Inter-Ethnic and Religious Conflict Resolution in Nigeria before purchasing it in order to gauge whether or not it would be worth my time, and all praised Inter-Ethnic and Religious Conflict Resolution in Nigeria:

Since 1982, Nigeria has experienced more than ten large scale ethnic or religious riots in its major cities. These violent

clashes have wreaked economic, political, and social havoc; caused an enormous number of deaths and injuries; and posed serious obstacles to Nigeria's sociopolitical development as well as retarded efforts at nation-building. The papers collected in this book serve as a critical part of an overall objective to develop and promote mechanisms for the understanding and resolution of ethnic and religious conflicts in Nigeria. Both academic and community leaders address various aspects of these conflicts, and Uwazie offers several thoughtful options for their successful resolution. *Inter-Ethnic and Religious Conflict Resolution in Nigeria* will interest students of African history and current affairs, scholars of anthropology and ethnicity studies, and those involved in international relations and peace studies.
