Robert Ellwood : Introducing Japanese Religion (World Religions) before purchasing it in order to gage whether or not it would be worth my time, and all praised Introducing Japanese Religion (World Religions):

Now in its Second Edition, Introducing Japanese Religion is the ideal resource for undergraduate students. This edition features new material on folk and popular religion, including shamanism, festivals, and practices surrounding death and funerals. Robert Ellwood also updates the text to discuss recent events, such as religious responses to the Fukushima disaster. Introducing Japanese Religion includes illustrations, lively quotations from original sources, learning goals, summary boxes, questions for discussion, suggestions for further reading, and a glossary to aid study

and revision. The accompanying website for this book is available at www.routledge.com/cw/ellwood.

"The second edition of Robert Ellwoods *Introducing Japanese Religions* is a superb enhancement to his already wonderful first edition, providing exciting new insights and additions which creatively update our understanding of the complex history and development of Japanese religious life. There is much new material on Japanese folk and popular religion, as well as electronic resources that are now available to students. The reflections of Professor Ellwoods long and distinguished career continue to intrigue students and scholars alike. This new edition is quite simply a great text for comprehensive courses on Japanese religion." Charles S. Prebish, Utah State University, USA

This second edition of Ellwoods introduction to Japanese religion is an expansive improvement of the first edition (2008). The present volume provides more detail by bringing to light the rich complexity of the religious experience of the Japanese people from ancient times before the introduction of Chinese religious traditions to the 21st century, with its complex mix of religious and secular ideas and practices. This edition also provides new material on folk and popular religion, particularly shamanism, festivals, and practices surrounding death and funerals. Quotations from original sources, suggestions for further reading, and a glossary further enhance this edition's value as an introduction to the religious history of Japan. P. O. Ingram, Pacific Lutheran University (Emeritus). January 2017 issue of CHOICE

About the Author Robert Ellwood is Distinguished Professor Emeritus of Religion at the University of Southern California. He is the author of over twenty-five books, including *Many Peoples, Many Faiths*, *The Fifties Spiritual Marketplace*, *The Sixties Spiritual Awakening*, and *Islands of the Dawn*.
