**Daniel A Foxvog : Introduction to Sumerian Grammar** before purchasing it in order to gage whether or not it would be worth my time, and all praised Introduction to Sumerian Grammar:

13 of 13 people found the following review helpful. Excellent book, easy to learn from given the intrinsic ...By michael o'hairExcellent book, easy to learn from given the intrinsic difficulty of the subject.. I took off one star because the print of this book, though precise, is much too light and thin for the white paper, though the book is well bound.10 of 10 people found the following review helpful. Sufficient unto its purposeBy Anthony Marcus MilesClear explanation of the grammar. A reasonable amount of exercises. It would have been useful, however, if the demarcations between exercises and grammatical explanations had been clearer. This book should be accompanied by the Basic Sumerian Glossary, but is still useable without it with a little creativity on the part of the user. The book does not teach the cuneiform characters in their wedge shapes, but only the grammar with its myriad numbered forms of duX..3 of 3 people found the following review helpful. A must have for your Sumerian library.By Gareth MacKenzieI

was extremely pleased with this book. It is a helpful tool for the student of the Sumerian language.
